Mission Statement of St. Dominic Church

As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.

February 23, 2014 ~ 1st Sunday in Ordinary Time

GIVE BETTER THAN YOU RECEIVE

Jesus' words in today's Gospel continue to contrast the Jewish law and practice with the practice of the followers of Jesus. Today's Gospel continues with slight variations the formulation: "You have heard . . ." and "What I say to you is . . ." The old laws of retaliation were once created to soften the severe and vengeful retaliations common among the peoples that surrounded the struggling people of God. The would-be followers of Jesus again feel surrounded by people bent on retaliation. So Matthew presents Jesus, who asks his followers not only not to retaliate at all but to "turn the other cheek."

He asks that his listeners give the one who asks more than he or she seeks. Jesus asks us to love and pray for those of our home country and the alien, the ones who love us and the ones who hate us.

TREASURES FROM OUR TRADITION

Olive oil looms large in the vocabulary of baptism. There are other oils in the pantry closet, from grape seed to safflower to canola, but only olives yield the proper meanings. Olives don't just happen; they are cultivated, nurtured, pruned, and fussed over; they are a sign of human and divine cooperation. Olives can thrive in poor soil, but they cannot survive without human ingenuity, planting shoots and pruning branches. They can't be popped from a tree and munched like apples: they are inedible without long curing; neither do they yield their oil to hand pressure alone, but only to huge stone mills. Abundant patience is needed as sediment sinks to the bottom of storage barrels and pure oil rises to the surface.

Olive oil is a byproduct of peace: war keeps harvesters, planters, and pruners within city walls and turns millers into soldiers. To obtain oil from olives you need vast measures of hope, patience, faith, and ingenuity. Olive oil is a sign of God's bounty and the way we human beings collaborate with God to bring about impossibly wonderful results. It is creation at its finest. Some people give chocolate eggs for Easter; perhaps olive oil is a more appropriate gift! -Rev. James Field, Copyright © J. S. Paluch Co.
