Mission Statement of St. Dominic Church

As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.

July 20, 2014 ~ 16th Sunday in Ordinary Time

PATIENTLY AWAITING JUDGMENT

Matthew, more than any other evangelist, talks about Jesus leaving and returning home. Often Jesus leaves the house because crowds have assembled outside and want to be taught. Today, after having taught and dismissed the crowds, his disciples follow him home, seeking further explanation of what seem to be, at least to us today, pretty straightforward parables. For both Matthew and Mark, when Jesus is in the house with his disciples it signals a special teaching moment, and it should cause us today to perk up our ears. Usually it is Jesus giving commonsense advice about what it will mean to follow him. Today is no different. To follow Jesus means to be ready to encounter the followers of evil, to have to live and work and preach among them. It means patiently awaiting the judgment that can only come from God, the judgment of justly deciding who will be thrown into the flame and who will live to be a brightly shining saint. Let us heed this house-teaching, for it will be the same for us who follow Jesus Christ today.

TREASURES FROM OUR TRADITION

Charlemagne, crowned Holy Roman Emperor on Christmas Day, 800, had a major interest in shaping the worship life of the church, and began a long period of reform and regulation. We owe many confirmation policies and practices to his rule. A baptized person was required to be confirmed as soon as the bishop's presence made it possible. Priests were expected to do their best in seeing to it that a newly-baptized child received the Eucharist. One twelfth-century ritual insists that if the child is not yet capable of eating or drinking, then the priest might give him or her some of the Precious Blood on a leaf or a finger. Despite the best efforts of the Empire to hold liturgical life together, the rules were not always lived out with great beauty. St. Richard of Chichester of thirteenth-century England, for example, was canonized for his holy life as a bishop. One of the remarkable signs of his sanctity was his willingness to climb down from his horse to confirm "merely baptized" lay folk who crossed his path! This praiseworthy practice points a finger of blame at less zealous bishops, whose casual attitudes revealed a sacrament in need of rescue.
