Mission Statement of St. Dominic Church

As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.

SETTING ASIDE THE WEAPONS OF WAR

Why, we might ask the prophet Zechariah today, would God want to banish chariots and horses? The answer follows: because they are used to violate God's reign of peace, along with the warrior's bow. In the days of Zechariah, chariots and horses were high-priced items used only for war-making. They were the aircraft carriers and nuclear missiles of his day. And for his culture, which thought of any king as being a military leader first and foremost, a king riding on a lowly beast of burden to proclaim peace without horses, chariots, and bows would have set his listeners topsy-turvy. This lowly, beast-riding king of peace, we believe, was fulfilled in Jesus, gentle and humble of heart. In a world torn by military strife often generated by differing religious views, and even in our own lives and homes where we are often at "war" over the tiniest things, we would do well to stop and consider to what degree we are willing to be like that "king" whose way of gentleness and humility is the way for us to find rest for our weary souls.

TREASURES FROM OUR TRADITION

Confirmation is complicated, at least in its history. It arose in response to real problems deeply felt, not the least of which was the desire of the bishop to minister to all who were baptized. But it also has to do with the early crisis of how to deal with persons baptized by congregations that had broken bonds with the greater church: heretics. People reasoned that no matter how wrong-headed the minister might be, Christ would always work in the waters of baptism. No matter what, God would sweep aside all human obstacles to claim the new life in the water. They were not so sure about the ability of someone who had broken with the church to confer the Spirit. By the fifth century, already-baptized persons coming into the church were anointed with chrism but not rebaptized. This anointing with *myron* or chrism was seen as an act of reconciliation by the church, and a seal upon the commitments vowed by the newcomer. Today, we preserve this ancient practice by never "rebaptizing" Christians who have been baptized in water in the name of the Father, Son, and Holy Spirit. We affirm the candidates' baptismal dignity, and we celebrate confirmation at their first reception of the Eucharist.

THE TRUE MEASURE
When I die, God won't
measure my head to see
how clever I was. God
will measure my heart
to see how loving I was.
