Mission Statement of St. Dominic Church

As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.

August 3, 2014 ~ 18th Sunday in Ordinary Time

GRACE IS EVERYWHERE

Grace is everywhere. People of faith act on this belief. As Christians we are called to reach deeply into ourselves and find God's presence there. We are called to reach outside ourselves and find God there, too. The reality of grace has sustained and nourished people beyond numbering. The church never tires of telling the story of the loaves and fishes. It is narrated no less than six times in the four Gospels. We imagine the hesitant apostles reaching into the baskets and finding bread, always more bread. We anticipate the ending. The apostles will wear out before the bread runs out. At another time and place, Isaiah also spoke of an abundance, this time of water, sweet honey, and rich milk. Always, always God is a gift-giver, and we the receivers. Our response is doxology, or praise. In the second reading Paul provides the words and attitude. Praise is everywhere.

TREASURES FROM OUR TRADITION

Most parishes are now aware of the catechumenate and the journey of new faithful in the RCIA, but this form of sacramental initiation disappeared from view in the thirteenth century along with many other ancient practices. Life back then was hard, and often too short, and priests were increasingly insistent about the responsibility of parents to baptize children in danger of death. Since everyone in that society was under unimaginable threat from famine, warfare, and plague, the liturgical rites changed quickly. Everyone was in danger of death all the time. No longer were babies immersed in fonts, being lowered into the water, although the ritual books never backed down from immersion. Infusion was the new way, a simple pouring of a few drops of water on the child's forehead. The catechumenate collapsed, being reduced to the recitation of the Creed and an Our Father at every baptism. Amazingly, any provision for adult baptism was shelved, so that as late as the 1950s, a person being baptized was presumed to be an infant, unable to answer for him or herself. Questions of creed and commitment were put to the godparents, not to the person being baptized. Even Dorothy Day and Thomas Merton, famous adult converts, remained mute at their baptisms while their sponsors answered for them. In hindsight all this appears strikingly odd, yet it was accepted as the way things were. We have good reason to give thanks for the vigorous reforms of the last fifty years!
