Mission Statement of St. Dominic Church

As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.

November 2, 2014 ~ All Souls' Day

LOOKING TO THE LAST DAY

Today the Church remembers all who have walked the way of Christ and passed from this life. The readings all look to the last day, when we shall all rise from the dead and be reunited.

The prophet Daniel announces words of warning and welfare. He cautions us against the judgment to come, but he also comforts us and assures us that all who live a life of virtue and justice will find life eternal.

The reading from Romans reminds us that, because of Christ's passion, death, and resurrection and our entrance into that paschal mystery through baptism, we now share in the new life won by Christ. This recognition has repercussions: we need to live righteously now, that we might rise to life forever with Christ on the last day.

In the Gospel Jesus pledges that all the Father has given him will not be lost. All the faithful will be raised to joy and live forever in the presence of God. Copyright © J. S. Paluch Co.

TREASURES FROM OUR TRADITION

For those of Mexican heritage, November 2 means celebration of *el Dia de Los Muertos*, or “the Day of the Dead.” One of the most important days of the year for many, they join All Saints and All Souls together, visiting the graves of babies and children on All Saints, since they are *santitos* (little saints) or *angelitos* (little angels). Flowers, their favorite toys, favorite music, and so on, are taken to them. The following day, people spend time—some of them all day—at the cemetery with their loved ones who have died. From the ancient customs of the Indians the families pray, talk with them, and take them their favorite food. It is a most solemn but joyful day. It is a day to celebrate Christ’s victory over death: “Death, where is your sting?” There is a mocking of death as people make skeletons, candy that represents death, and *Pan de los Muertos* (bread of the dead) and consume them in a kind of role reversal.

One of the customs is to build an *altarcito* (little altar) where one places mementos and pictures of those who have died. There are also favorite foods, candles, statues or pictures of favorite saints, books, and Bibles. Some parishes have begun to build an *altarcito* where all parishioners can join in honoring the deceased. A remembrance book can be placed to write names in. The *altarcito* is traditionally left up for the month of November.
