### Mission Statement of St. Dominic Church

*As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.*

*October 19, 2014 ~ 29<sup>th</sup> Sunday in Ordinary Time*

### EVERYTHING BELONGS TO GOD

The first reading from the prophet Isaiah concerns the Persian King Cyrus, called the Lord's "anointed." Cyrus deserves this title because he ended the Babylonian captivity of the Jews. However, Isaiah reminds us that it was God who gave Cyrus his power. He may be a great king, but "I am the LORD and there is no other," says God (Isaiah 45:5).

Today's Gospel is also concerned with worldly power. In the passage from Matthew, the Pharisees try to trick Jesus into speaking against the emperor. His famous answer is the perfect reply. Like the kings of old, Caesar can be given the respect due his position, but everything belongs to God.

In the second reading, Paul gives thanks for all who are faithful to Jesus Christ and his gospel. He, too, reminds us that our call and the power to be faithful come from God.

## TREASURES FROM OUR TRADITION

When the fathers of the Second Vatican Council met to discuss the sacrament of penance, they were required to draw up a new rite, including several forms. The hot button for debate was so-called “general absolution,” by which a penitent could be absolved of sin without confessing to a priest. This was a difficult debate, compounded by widely varying traditions in both East and West. Some were surprised to learn that the Holy See had already given permission, during the First and Second World Wars, for this form. In 1944 the Vatican issued a decree saying this form was valid under extreme conditions, which bishops in mission lands and Latin America took as a kind of “blanket permission.”

Thus, the fathers of the Council were alarmed to find this practice fairly widespread, not only in war, but in peaceful places with huge numbers of faithful and few priests. Although they eventually produced a ritual with three different forms, the forms are not considered equal, and the enriched and revised individual form is preferred. The enrichments include a welcome of the penitent, a sign of the cross with an encouragement to trust in God’s compassion, new texts rich in the Word of God, praise for God’s mercy, and a dismissal.
