### Mission Statement of St. Dominic Church

*As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.*

*October 26, 2014 ~ 30<sup>th</sup> Sunday in Ordinary Time*

### LOVE SHOWN IN ACTION

Do you receive the word of God with joy as the Thessalonians did? Their faith showed in their actions. They became models for other believers.

The first reading tells us to put our faith into action. This passage is part of a long list of ordinances God commanded the Israelites to observe. God will judge us by how we treat our neighbors. God will hear the cries of any whom we neglect or mistreat and will come to their defense.

In today's Gospel the Pharisees put the question of God's law to Jesus. "Which commandment of the law is the greatest?" (Matthew 22:36) How could he possibly choose from all the detailed commandments the Jews observed? He was sure to offend somebody by his answer! Of course, Jesus went right to the heart of the matter. Love is the greatest commandment—love of God and love of neighbor. Everything else is based on this.

## TREASURES FROM OUR TRADITION

Sadly, one of the most difficult reforms of the Second Vatican Council for the Church to embrace has been one of the most thorough and beautiful: the sacrament of penance. Because it is individual and private, it has been difficult for the changes to take root. Sometimes a priest may be grounded in the earlier form, and at other times the penitent may resist the priest's attempt to blend in the proper texts and rituals.

Perhaps because the new form is almost identical in structure to the old, it has been difficult to institute. It may also be true that with the liturgy in English now, it is far clearer that the Eucharist, too, is a "sacrament of reconciliation."

It is certainly true that there are different skills and gifts in ministry, and experienced penitents know that not all priests are equally at ease in this sacramental encounter. Sometimes a difficult experience can drive people away from a liturgy that is spiritually rich and rewarding. Yet we know that one bad meal seldom puts people off restaurants forever: the dinner gong tends to dispel bad memories, and so we try again. Individual confession and absolution is for us both treasure and tradition. If you haven't been for a while, consider coming back to praise God for this gift of mercy.
