Mission Statement of St. Dominic Church

As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.

THE TEMPLE AND WORSHIP

In all of today's readings, the temple is prominently mentioned. Ezekiel speaks of streams of living water flowing out from the temple, watering the desert, bringing life to all living things, offering fresh healing to God's people. Paul reminds the Corinthians that their faith rests upon the firmest of foundations, Christ himself. More than that, Paul reveals that those who follow Christ are themselves temples, temples of the Holy Spirit; that is, God dwells not only with them, but in them. For the Jews of Jesus' time, the temple had come to be identified with the presence of God and the only place where authentic worship of God took place. Jesus had a different perception. Jesus identified himself not with the temple, but as the temple. In so doing, Jesus indicated a dramatic shift in what it means to worship God, to be in God's presence. No longer was a place to be the focus of prayer. Instead, a person, the person of Jesus Christ, becomes the center of our worship.

TREASURES FROM OUR TRADITION

For several weeks, we have considered penance as a sacrament of forgiveness, and yet there are two other sacraments in this category. The first, of course, is the Eucharist itself. The other is the sacrament of the sick, long associated with penance. The Letter of James sets out the deep tradition for caring for the sick: sending for the priests, who will pray and lay their hands on the sick ones, anointing them with oil and giving them forgiveness. Long before other rites of penance developed, the sacrament of the sick was therefore a profound experience of forgiveness. Jesus often healed the sick, nearly always as a visible sign of forgiveness of sin. The tradition didn't unfold smoothly, however, and within a few centuries the oil of the sick was taken home to be applied by caregivers as a salve, or even to be drunk as a medicine. As early as the second century, bishops were therefore urging that priests should be the ones to visit those separated by illness from the Sunday assembly. Thus the practice of consigning the Eucharist and the oil of the sick to the non-ordained faithful to bring home was relatively shortlived.

EVANGELIZATION

I will go anywhere and do anything in order to communicate the love of Jesus to those who do not know him or have forgotten him.
