### Mission Statement of St. Dominic Church

*As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.*

*February 8, 2015 ~ Fifth Sunday of Ordinary Time*

### HEALING MINISTRY

During Jesus' ministry "he cured many who were sick with various diseases, and he drove out many demons." This is the case in today's Gospel. Jesus fulfills the vision of Psalm 147: "He heals the brokenhearted and binds up their wounds."

Jesus knew, however, that he couldn't possibly heal all the illness in the world. No matter how many people he cured or how many hours he ministered, there always would be more suffering people like Job who craved his healing touch. His primary mission was not to rid the world of all suffering. His "purpose" was to preach the coming of the reign of God that heals, yes, but ultimately transcends and transforms earthly suffering. With Paul, Jesus could have said, "Woe to me if I do not preach" that good news.

## TREASURES FROM OUR TRADITION

“Last rites” is a persistent but pesky phrase in the Catholic lexicon, and not a particularly useful phrase since it props open the door to misunderstanding. Many Catholics presume it refers to the anointing of the sick, yet there is nothing “last” about it. Clearly, the Church desires anointing to be celebrated fairly early on in the crisis of illness, and not as a last measure. The Rites for the Dying stand apart in the Church’s plan, and include two principal rites. The first is viaticum, Latin for “food for the journey,” the reception of Holy Communion by a dying person. Even very active and aware Catholics often do not realize that this “last rite” does not require a priest’s presence, but can be conducted by a deacon or minister of Holy Communion.

The second “last rite” in the pastoral plan is a prayer called “Commendation of the Dying.” Similarly, this does not require the presence of a priest, but can be led by any minister or family member. Too often, we have focused on what only a priest can do, namely anoint, and have forgotten the fullness of liturgical care that the Church desires for its dying faithful. The “last rites” are completely available to us even when a priest is not.
