### Mission Statement of St. Dominic Church

*As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.*

*April 19, 2015 ~ Third Sunday of Easter*

### **SAVORING THE EXPERIENCE**

One of the wonderful things about vacations is the time we spend two or three weeks afterward savoring the experience, sharing vacation photos and memories with our family and friends. This kind of reflection puts us back in touch with the original experience and reminds us of the relaxation and wonder the vacation afforded us. Today, on the Third Sunday of Easter, the Church blesses us with reminders of what we celebrated two Sundays ago. All three readings are reflections on the meaning of the death and resurrection of Christ. One of the threads running through these reflections is that the purpose of the Lord's suffering, death, and resurrection was to save us, to forgive our sins. We are given fifty days to ponder this reality—fifty days to savor the experience of Christ's dying and rising for us.

## **TREASURES FROM OUR TRADITION**

With the Easter season well under way, we now resume our survey of the sacrament of the sick. The pastoral care of the sick will be misunderstood if we start from the vantage point of the sickroom. Begin with the Sunday assembly, from which the sick person has been separated by the crisis of illness, and whose absence is given expression in prayer and service. The goal is to extend the consolation of the Lord's presence at the table to those who are apart from it, and for the assembly to enfold them in prayer.

Secondarily, the goal is to teach people what the Church desires for all those who are sick. Seeing ministers dispatched to the sick from Mass every Sunday might help a caregiver realize that their dear one can also receive Communion. Witnessing the anointing of a woman facing surgery might help another person to overcome hesitation and ask for the sacrament's healing and strength. Society's impulse may be to marginalize the sick, but the tradition of our community is to see them at the center of our life. When Roman persecutors ordered St. Lawrence the Deacon to hand over the jewels of the church, he assembled a motley crew of the sick and the infirm and announced with all humility, "Behold, my lord, the treasures of the church of Christ."
