Mission Statement of St. Dominic Church

As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.

January 24, 2016 ~ 3rd Sunday of Ordinary Time

LIVING AS THE BODY OF CHRIST

Some of Saint Paul's best known and most beloved imagery is contained in the passages from First Corinthians that we have heard last week and this week: the many gifts granted by the one same Spirit and the many members making up the one Body of Christ. Few passages from sacred scripture more accurately sum up how Christian vocations work together.

Unlike some of Paul's other writings, which are a product of the social and religious conventions of his time, these enable us to look at our own lives and the lives of those around us to discern what gifts, what vocations the Holy Spirit has given for the good of all. We can likewise know the joys and sorrows of the other members of the Body and share in them for the strengthening of the whole Body of Christ. Copyright © J. S. Paluch Co.

TREASURES FROM OUR TRADITION

As Roman Catholics, our marriage practices have their pedigree in ancient Rome. One of the major players in shaping our practices was the warfare involved in building an empire. Soldiers vanished and sometimes never returned. Women began to manage their lives and to make decisions. The old family values were replaced by patriotic ones, and religion was more attuned to the gore and glory of battle, a religion of the state, not of the family. Weddings were still family celebrations, but had a public face. The bride wore a white toga and a red veil and walked to her new home. There, she and her husband joined their right hands and gave consent to each other, not relying on her father to give consent for her. Religion was optional: a pagan priest might be invited or not, and even without the ceremony, society agreed by common law that a year of living together equaled marriage consent. By the same token, marriage by consent also meant divorce was on the same legal footing, and did not require the courts or civil declarations. This is the world-view the first Christians inherited, and it was up to them to determine what was good and to hold marriage up to the light of the gospel. —Rev. James Field, Copyright © J. S.
