### **Mission Statement of St. Dominic Church**

*As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.*

### **LIFE EVERLASTING**

The second book of Maccabees tells a powerful story, and a rather gruesome one at that. But central to it, beyond the horrible deaths inflicted upon the brothers and their mother, is their belief in the promise of resurrection and life everlasting in God.

Paul asks the Thessalonians to pray for him as he spreads Christ's message of love, so that he might be delivered from other nonbelievers anxious to do him harm. The apostle is confident in such prayer, just as he is confident in the everlasting support of Jesus and God the Father.

And there's that "everlasting" word again. The Sadducees, not buying the idea, ask Jesus an interesting—albeit meaningless—question about the status of married life at the Resurrection. He tells the non-believers that marriage isn't an issue for the risen children of God. More importantly, he assures them that their ancestors do live on in God, even as evidenced by the Father's words to Moses.

## TREASURES FROM OUR TRADITION

In the seventeenth century, English Catholics, many of them wealthy and well educated, looked to the American colonies as a place to regain a measure of religious freedom. In Ireland, the so-called penal laws were even harsher than in England, as a minority Parliament tried to force the conversion of the population by denying the majority political and economic power. Beginning in 1691, laws were passed that punished dissenters, principally Catholics, but also causing hardship for Jews, Quakers, and others. There were acts forbidding “mixed marriage” or sending children “beyond the seas” for schooling. Catholics were taxed at double the common rate, barred from the legal professions and from university, and not allowed to build churches or own a decent horse.

In 1793 the situation began to change, as it became clear that the economic persecution would not drive the majority away from Catholicism. Gradually, laws were repealed until by 1829 freedom was won, although Catholics at university were ineligible for honors, and until the 1920s and the Republic, the Church of Ireland was the state church, funded by the taxes of all citizens.
