APRIL Is Child Abuse Prevention Month

BEHOLD, CHILDREN

ARE A GIFT OF THE LORD.

THE FRUIT OF THE WOMB IS A REWARD.

PSALM 127:3

Blessing of a Child in the Womb: In the Catholic Church there is a Rite of Blessing for unborn children. This rite serves to publicly affirm the precious gift of human life and to embrace parents and families as they prepare to welcome the birth of a child. As Mother's Day and Father's Day approaches, we invite all expectant mothers & fathers to participate in this blessing. Fr. David will conduct the Rite for the Blessing of a Child in the Womb at all Masses the weekend of May 8/9.

FEAST OF FAITH - The Second Reading

The Liturgy of the Word generally follows a consistent pattern of three readings and a psalm. The second reading is always taken from one of the New Testament epistles or the book of Revelation, and generally is not intentionally aligned with either the Gospel or the first reading.

Where would we be without these letters in which great saints and apostles like Paul, Peter, James, and John share their wisdom and pastoral good sense with the early Christian communities? It is in these letters, even more than in the Gospel narratives, that we learn what it means to be church: to live with each other, in the world yet not of the world, in these days after the Lord's resurrection. Each New Testament letter was written by a particular leader for a particular community at a particular time. We are reminded of this at the beginning of the proclamation—"A reading from the letter of Saint Paul to the Ephesians," or the Corinthians, or the Thessalonians. These texts were shaped by their particular historical and cultural context, but at the same time, through the liturgy, these letters are written to us, here, today. They speak to the realities of Christian living no matter where—or when—we live. They are truly "the word of the Lord" for us. -Corinna Laughlin, Copyright © J. S. Paluch Co.

DOUBT

The desire to be able to prove the existence of a divinity has troubled humanity since human consciousness first became aware of the divine. To this very day we are fond of saying that any number of things—from sunsets to hot fudge sundaes—are "proof that there is a God." We get so caught up in the story of "doubting Thomas" that we fail to notice that today's Gospel gives us John's account of Pentecost, the bestowing of the Holy Spirit upon the disciples following the Resurrection. Thomas, evidently, missed out not only on seeing the Risen Christ, but receiving the Holy Spirit as well. This is not to be taken lightly and, perhaps, makes Thomas' disbelief a bit easier to comprehend. It also makes his professing that Jesus is his Lord and God—the only time the New Testament explicitly refers to Jesus Christ as "God"—more remarkable. Copyright © J. S. Paluch Co.
