Giving Back to God

THE DESTINY OF ALL MORTAL FLESH: The celebration of today's feast on a Sunday is unusual on our Roman Catholic calendar. Our observance of the Lord's Day is held in such high esteem that few other feasts replace it. Occasionally there is a feast—usually of one of the saints—in which the saving power of God in Christ is so uniquely focused that the Roman rite deems it worthy of celebration on the Lord's Day. Today is such a feast. Yet some are surprised at the brevity of the dogma in its entirety: "We pronounce, declare and define it to be a divinely revealed dogma: that the Immaculate Mother of God, the ever Virgin Mary having completed the course of her earthly life, was assumed body and soul to heavenly glory." The Roman Catholic Church never defined any specifics or particulars about the event itself. It is not in the scriptures. There are no verifiable eyewitness accounts. At its core, the dogma reveals in Mary the destiny of all mortal flesh, and reinforces our creedal belief in resurrection of the body. This feast strengthens our faith, defined last week in Hebrews as the realization of things hoped for. We find, in Mary, that realization of what we all hope for, what Paul today affirms: "In Christ shall all be brought to life" (1 Corinthians 15:22). Copyright © J. S. Paluch Co.

FEAST OF FAITH: The Shape of the Eucharistic Prayer

Our Eucharistic Prayers originated in the traditional Jewish meal prayers known as *berakah*, which were prayers of thanksgiving used at meals. Over the centuries, the Christian thanksgiving, or Eucharist, gradually took shape. While in the East the Eucharistic Prayers (called *anaphora*) took many forms, in the Roman Church there was for many centuries just one Eucharistic Prayer, called the Roman Canon (now known as Eucharistic Prayer I). Almost all Eucharistic Prayers include the same basic elements. They begin with thanksgiving and acclamation. Then there is an *epiclesis*, as the priest calls down the Holy Spirit upon the gifts. Then follows the institution narrative and consecration, as the words that Jesus spoke at the Last Supper are repeated. After the consecration, we remember in an explicit way all that Christ has done for us—this is the *anamnesis*, or remembering. The prayer concludes with the offering, the intercessions—prayers for the Church, our leaders, ourselves—and a final doxology of praise. The reforms of the Second Vatican Council enriched our liturgy with additional Eucharistic Prayers, including both ancient texts (Eucharistic Prayer II is based on the most ancient of all existing Eucharistic Prayers) and new compositions. —Corinna Laughlin, Copyright © J.
